What is the Cerebra 'Count Me In' Lottery?

It's a great opportunity to support Cerebra and the chance to win big! Each ticket costs £1.20 per week and 86p of that goes to the great work Cerebra do for children and families affected by brain conditions. It's open to all residents of GB who are aged 16 or over.

How do I play the Cerebra 'Count Me In' Lottery?

It's easy and only takes a few minutes. Each ticket costs just £1.20 per draw. Select how many tickets you want to play per week, up to a maximum of five lines when playing online. Then enter your details and choose to pay for your chosen period of time by cheque or card or set up a monthly Direct Debit.

Where can I read the full terms and conditions for Cerebra's 'Count Me In' Lottery?

You can find the full terms and conditions of Cerebra's Count Me In Lottery on our website www.cerebra.org.uk. You will be prompted to read and agree to these terms and conditions when signing up to play online.

How many tickets each week can I buy?

Participants may purchase more than one ticket for each weekly draw, up to a maximum of five when playing online. You can enter up to 10 (ten) tickets in the draw each week by calling our lottery helpline on 01267 244218.

How will I know what my Lottery Ticket number is?

When you purchase a ticket, a unique number will be generated, by random selection through secure computer software. This number will be issued to you by post. The number allocated will remain the same for the period of the person's participation.

How much will I pay by Direct Debit?

Every ticket costs £1.20 per draw, per week. So if you play one ticket per week, for instance, you will pay £4.80 or £6 a month. If you play more than one line per week, your Direct Debit will increase to reflect this, for example, if you play two lines per week, you will pay £9.60 or £12 per month.

What day will my Direct Debit be collected?

The payment is collected on the first working day of each month. Sorry, we are unable to change the date that payments are collected

Why does the payment vary?

It costs just £1.20 per ticket to play Cerebra's Count Me Lottery each week. So, if you play one ticket per week in a month with four Thursdays, £4.80 will be debited from your account. Some calendar months are made up of five Thursdays with five draws taking place instead of four, so the cost for that month will be £6. Your Direct Debit will only be collected once a month but, depending upon the number of weeks within that month, your payment will vary. Don't worry, we will send you a payment schedule for the whole year when you first sign up, so you'll know how much will be collected each month. If you would like an annual Direct Debit schedule please email sharonb@cerebra.org.uk

How do I cancel my Direct Debit?

You can cancel at any time by contacting your bank directly or by contacting us. You can email the lottery manager on SharonB@Cerebra.org.uk or call us on 01267 244218 (Monday to Friday, 9.00am to 5.00pm), or write to us at Cerebra, The MacGregor Office Suite, Jolly Tar Lane, Carmarthen, SA31 3LW

When does the draw take place?

Each draw takes place on Thursday at Cerebra's office.

Can I pay with a debit card or cheque?

Yes, of course! You choose how many tickets you would like to play and then choose how many draws you want those tickets included in. If you would like one ticket to be included for 20 weeks you can make an online debit card payment for £24 or play one ticket for the whole year for £62.40. If you would like to pay by cheque you can download a Joining Form and post it to us at Cerebra, The MacGregor Office Suite, Jolly Tar Lane, Carmarthen, SA31 3LW. Cheques and Postal Orders should be made payable to Cerebra. The Gambling Commission recently announced that it will ban gambling with credit cards. In practice, this means that lottery operators will no longer be able to accept payment by credit card online, over the phone or by email. You may still use your credit card by downloading a form, filling in the credit card number and posting the form to us. If you are paying by credit card, you may be charged a fee on top of your lottery purchase. Please check with your credit card provider for more information.

How many winners are there each week?

One lucky winner wins a cash prize of £1,500.

Where does the money to fund the prize come from?

The prize money is funded by the income we receive from our generous supporters of the 'Count Me In' Lottery. This makes up a very small part of the total income raised each week, the Lottery is Cerebra's biggest fundraiser so the services that benefit children with brain conditions receive the overwhelming majority of the funds raised.

Is my 'Count Me In' Lottery payment eligible for Gift Aid?

Unfortunately, they're not eligible for Gift Aid – but a single donation is eligible.

How is the winner selected?

The winning number for each draw will be chosen at random using a computerised system from all entries received by the closing date.

When will I know if I have won?

The winner of the Lottery prize will be notified in the first instance by telephone and then by post or email. Participants can call Cerebra on 01267 244218 or visit the website www.cerebra.org.uk for a list of winners.

How will I receive my winnings?

The Charity will send winners their prizes automatically. Tickets paid for by Direct Debit shall have the winning amount of £1,500 transferred via BACS to the entrant's account from which the Direct Debit is paid from. In all other instances the prize will be paid by cheque.
