

Cerebra Annual Conference

Barriers to Breakthroughs: the positive impact of our collaborative research for children with complex needs and their families.

Wednesday 5th October 2022 9.30am – 16.30pm
One Birdcage Walk – Westminster, London, SW1H 9JJ

A one-day conference providing parents, carers and professionals with up-to-date, evidence-based information from Cerebra funded research at our academic chair institutions.

The cost of attending this conference will be £30 (payment non-refundable).
Price includes lunch and refreshments.

There are a few concessionary places available. For more information about this or the conference itself please contact Jane Margetson – janem@cerebra.org.uk

To book onto this conference please click on the Eventbrite link here.
