Flexzi

The funky, flexible gadget stand by

Extension Kit

Installation Instructions

1. Break apart Flexzi tube at any point.
2. Insert new length of tube the right way round and push together (get somebody strong to help you!).
3. When affixing Velcro® ensure surfaces are clean and free of grease. Press down firmly to make sure it sticks well.

Caution

Extending Flexzies reduces their stability and may make them inadequate for holding larger items. Cerebra does not accept liability for any loss or damage caused by over-extension of Flexzies or inadequate attachment of Velcro®

About Cerebra

is a charity that exists to improve life for children and young people with disabilities. We do this by designing equipment for use at home, at school or college, in hospital or at play. We are here to help meet a child or young person's needs. To help fund our charitable work we manufacture and sell products such as Rokzi. **100% of the profits go to Cerebra's charitable projects!**
